# SyncPad Cart

An innovative system for  
maintaining mobile devices

Sync • Charge • Store

## Sync & Charge

Plug in Master PC/MAC and use configuration software to sync with iTunes (for Apple products) and Windows Explorer (for Windows OS). Charge different technologies such as iPad, iPod, iPhone, Android tablets/phones simultaneously!

## Smart Charging System

ELMO SyncPad Cart identifies each device and charges to the proper level. Each device can be charged up to 2 amps. The LED indicator provides visual representation of charging status.

## Storage Options

Choose from 32 or 48 tablet compartments.

## Security

Lockable cabinet for safety and security.

## One Power Source

Plug USB cables directly into Sync Pad Cart—no need for additional adapters!
